

RECONSIDERATION OF MATERIALS IN THE LIBRARY'S COLLECTION

Policy Statement:

The library's collection reflects a variety of viewpoints on a variety of subjects. Because a collection of diverse materials may result in complaints about materials or requests for reconsideration of materials, the library has a process for the reconsideration of library materials to assure that concerns are handled in an attentive and consistent manner.

Definition:

Reconsideration request: a request to remove or reclassify an item in the library's collection.

Regulations:

1. The Collection Development Policy governs the addition or withdrawal of items in the collection.
2. The selection of any item does not imply endorsement of any expressed viewpoint. Library material will not be identified to show approval or disapproval of the content, nor will items be sequestered, except for the purpose of protecting them from damage or theft.
3. Library staff is available to discuss concerns and comments about the suitability or classification of an item in the library's collection and will try to assist customers in finding materials that are suitable for their use.
4. If customers wish to pursue their concerns further than discussion with staff, they may fill out a Request for Reconsideration of Library Materials form.
5. The director will inform the board of trustees of all requests for reconsideration of library materials and their disposition in a timely manner.
6. The ALA Library Bill of Rights and the Freedom to Read and Freedom to View statements are endorsed by the library board of trustees.
