LOG IN

Register yourself as the main parent, guardian or camp leader who will be logging everyone's reading time. If you have registered yourself for summer reading, this is a completely separate log in from that.

LOGIN

From here you can link existing users -- kids or family members who have already registered for summer reading. You will have to know their username and password used when they registered.

Or you can add a new user, which allows you to register people in your family/group who have not yet registered, and they will automatically link to your Family Management page. If you are registered for summer reading, don't forget to link to yourself as well!

CANCEL **CONTINUE**

Just choose Login under the name of the person who needs reading time added, and add their reading minutes.

Note: You do not need to add a book title each time. You can just add minutes read. Children may enjoy logging in themselves so they can make changes to their avatar as they read more minutes.

The screenshot displays the Wandoo Reader interface. At the top, the navigation bar includes the user's name 'Amy Bayson' and a language selection dropdown. Below this is the 'FAMILY MANAGEMENT' section, which contains a table of users. The 'Login' button for the selected user is circled in red. To the right, an 'INSTRUCTIONS' section provides guidance on linking and adding users. Below the management section, a status bar indicates the user is logged in as a parent/guardian, with a 'Go back to the Family Management Portal' link. The main header features the 'Marian Public Library' logo and a user profile for 'Childrens-2019'. A progress bar shows '50 Credits' and '0 Minutes'. The main content area has a navigation menu with 'HOME', 'BOOKS', 'CHALLENGES', and 'AWARDS'. A large banner reads 'A UNIVERSE OF STORIES KIDS'. Below the banner is the 'LOG MY READING' form, which includes a 'Book Title' field, a 'Minutes Read' field (circled in red), and a checkbox for 'I've Finished this Book!'. A 'SUBMIT LOG' button is positioned below the form. At the bottom, a 'Progress For Community Reading Goal' section shows a progress bar at 0% completion, with a total goal of 845/876630 minutes.
